Dear Mr. Stahlecker,

The clips are very helpful, especially because I'll on Jack McKinney's show the seventh.

Generally speaking, all clippings are helful, and if periodically you can send me what you may have time to accumulate, I'll appreciate it, even if I do not answer. That is how busy I am now, with the new book due, the responsibilities of a publisher, and a speaking tour to the coast beginning in ten days.

Thanks

Sincerely,

Harold Weisberg
